

AUTISM RESEARCH

Participants

Needed!

Who can take part?

- Have experience of being socialised as a woman/girl (inclusive of cis-gender, transgender, gender non-conforming and non-binary individuals)
- Identify as autistic (inclusive of individuals with a diagnosis and seeking a diagnosis)
- Are currently an undergraduate student in first or second year of studies at a UK university
- 18 - 22 years old
- Fluent in English

Who am I?

Rebecca Rooney (She/Her)

I am a trainee Counselling Psychologist and Psychotherapist, conducting this research as part of my doctoral thesis.

Are you...

An autistic individual who has experience of being socialised as a woman/girl?

And

An undergraduate student at a UK university?

Have you experienced...

Adjusting your behaviour or ways of thinking ('camouflaging') in a social environment?

If so, I would like to hear about your experiences.

What will it involve?

A conversation about your experiences for approximately one hour. This will take place via Microsoft Teams.

If you are interested in taking part or would like more information please contact:
